

Kitchen/Food Preparation

# Swift

## Heavy Duty Cleaner/ Disinfectant **Perfumed**

Swift is a heavy-duty cleaner for a wide range of applications. These include walls, floors, equipment and machine parts. It is especially useful on surfaces soiled with fat or oil. Swift contains a soil release agent which releases the static electric charge that adheres soiling to a surface, making it an effective first time cleaner, and making subsequent cleaning easier. A product designed and formulated to make heavy-duty cleaning jobs easy.

### Directions

For normal light duty hard surface and hard surface cleaning dilute with warm or cold potable water at a ratio of 1:100 (1% solution, 10ml per litre).

Medium duty cleaning at a ratio of 1:50  
(2% solution, 20ml per litre)

Heavy-duty cleaning, dilute to 1:20  
(5% solution, 50ml per litre).

### MPI Approved C32 (All animal product except dairy)

Dishes and equipment may be washed immediately or left to soak to improve results. May be rinsed prior to air or clean-towel drying. In food processing premises, after using this compound, food contact surfaces must be thoroughly rinsed with potable water before production starts.
