

Made in New Zealand

# SoftShield®

## Hand Sanitiser Gel - Antimicrobial

**Powerful alcohol based hand sanitiser that evaporates leaving hands dry, sanitised and feeling great without the need for a towel or air dryer. Can be used once hands are washed or between washes on a regular basis to maintain sanitised conditions.**

### Directions

Dispense 2-5mls of SoftShield directly onto hands neat and rub hands together to give an even coverage. In food processing plants, the sanitiser must only be supplied from a fixed, metered dispenser located a sufficient distance from the processing line to prevent product contamination. Hands must be clean before the sanitiser is applied (this includes washing the hands where necessary).

### MPI APPROVED C54 (All animal product except dairy)

In food processing plants, the sanitiser must only be supplied from a fixed, metered dispenser located a sufficient distance from the processing line to prevent product contamination. Hands must be clean before the sanitiser is applied (this includes washing the hands where necessary).
