

8. MedicShield Hospital Grade

Disinfectant/Surface Sanitiser

Ultimo 8. MedicShield is a hard surface cleaner and sanitiser that is proven to be effective against a range of bacteria, fungi and viruses that can cause disease especially in those that are in a weakened state.

Directions:

Use one dose from Ultimo Dispenser per bottle or bucket. Use a mop or spray on to surfaces to be cleaned. Rinse all food contacting surfaces with potable water after use.

MPI APPROVED C32 (All animal product except dairy). Dishes and equipment may be washed immediately or left to soak to improve results. May be rinsed prior to air or clean-towel drying. In food processing premises, after using this compound, food contact surfaces must be thoroughly rinsed with potable water before production starts.
